# Bridgewater Sports Arena's Little Gliders

Skating for the first time can be very scary for your little ones. The Little Gliders class will help your child enjoy the ice skating experience right from the start. During the four week skating adventure your kids will be learning how to skate through the use of play. Your Little Glider will have fun learning the basics of ice skating in a safe and nurturing environment. Skills introduced include how to get up, marching and gliding. Our skating professionals will be teaching your child skating skills both on and off the ice. Our goal is for your child to feel confident and happy all while having a fun learning experience.
